### Description

Our hassocks are made to measure, but they typically average approximate dimensions of 12" x 8" x 4" thick. We can though have them made to match the sizes of any existing hassocks, and with a wealth of fabric colours to choose from, hopefully to match or compliment any existing hassocks too. If you are also purchasing chairs from us, we can use the same fabric as the chairs are upholstered in, and a member of the sales team will be able to help plan for their storage, whether that be with a D-Ring and hook, shelf under the chair or alternative storage. Contact us today on 01494 670 600 or email [admin@alpha-furniture.co.uk](mailto:admin@alpha-furniture.co.uk) Free, no-obligation samples are available for trial and for you to inspect our quality and comfort.
