10 - 19	£44
20 -	£46.5

Description

Gopak Contour Stacking Benches are:

- Strong and light
- Stackable to 10 high
- Great value
- UK Made

With strong aluminium frame and legs, the Contour stacking benches complement the Contour table range. They are extremely light but robust and simple to store. Excellent for school dining halls, factory canteen and youth organisations. For the optional bench skate sets, please click [here](#). For use outdoors, we recommend selecting the big foot set from the optional extras before adding your tables to the cart.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
