Description

A bedside table designed and manufactured specifically with dementia sufferers in mind. Constructed from 15mm melamine faced particle board, and a 15mm melamine faced particle board with 2mm PVC lipped edges. Glued, dowelled and screwed with metal KD fixings. The drawers have metal slides with easy glide roller runners, constructed with 15mm solid drawer bases and back rails, with solid metal handles. The hinges on the cupboards are 90° metal. The castors are corner brace style furniture castors, with a locking door as standard. As with all of our Dementia range, the low units have a proud rear edge to prevent items being lost behind units.
