Description

Incredibly stable Heavy duty table for heavy duty use Ideal for semi-permanent situations Available in 760mm and 698mm height only (760mm not available on 915mm long tables) The perfect product where strength and sturdiness are all important. Universal is a folding table that has strength and stability comparable with a fixed leg table and is ideal when a heavier duty solution is required. Resulting from an extensive development programme this range features Posi-Lock, a patented and innovative folding mechanism. Gopak are renowned for simple and effective products and the Universal maintains this for ease of use. Please note, Universal tables are heavier than the standard lightweight folding tables in our range.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
