Description

Incredibly strong Ideal for semi-permanent use Available in 760mm and 698mm height only (760mm not available on 915mm long tables) This product brings together the innovative Posi-Lock folding mechanism with the superb POLYEDGE. Combining these two elements, the Vantage folding table adds another dimension to the Gopak range and is the most solid sturdy folding table produced to date. Please note Vantage tables are heavier than the standard lightweight tables in the Gopak range.

All Gopak folding tables and stacking benches are manufactured to BS EN 9001:2000 for Quality Assurance. In the unlikely event of a defective product being received, and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found. This five-year guarantee, assumes that the product has only been subjected to normal use. Our commitment to quality is taken into account when choosing products to complement our own range of furniture. All chairs, stacking tables and desks are supplied by reputable manufacturers and have been carefully selected, to provide items that offer our customers value for money.
