Description

UK MADE - VINYL UPHOLSTERY AVAILABLE Options include long or medium **arms**, hammer paint, wider frame, handhold or not, **book storage**, stain protection and linking. Many frame colours are available, as are various fabrics and colours. Stacking buffers on the frame help protect against scratching. The standard **handhold** makes it an easy one arm lift without bending one's back. An aluminium version is available for those requiring a lighter chair. Few chairs offer such a combination of **value, quality, options, comfort and versatility**. Armchairs also stack, as long as they are the top chair in a stack. Our universal chair removal trolley will quickly help move a stack of up to 8 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard. These chairs come with our 6 year **guarantee** and can stack vertically, 8 high. Lead-time is 5 weeks from the date of your order. This chair represents one of our very best **all-rounders**. It combines **comfort** with stackability, durability, style and a multitude of options. The deep, generous, **high back** make it a hit with various shapes and sizes of user. It is entirely **UK made**, comes with our 6 year **guarantee**, and features several clever touches. **Please note that when ordering the armchair version that links are not available and should not be selected.**
