Budget Steel Mitre Stacking Conference Chair

From: £39.95

Quantity	Price
25 - 49	£41.95
50 - 99	£40.95
100 -	£39.95

Description

This chair represents one of our very best **budget stacking chairs**. It combines **comfort** with stackability, durability, and style. The deep, generous, **high back** make it a hit with various shapes and sizes of user. The silver-black frame provides a scratch-resistant frame finish, while stacking buffers ensure the chairs are protected during stacking.

The standard **handhold** makes it an easy one arm lift without bending one's back. A **universal trolley** is available to conveniently move a stack of 10 chairs for fast, efficient stowage. The trolley can then be slipped easily into a cupboard.

Few chairs offer such a combination of **value, quality, comfort** and **versatility**. This tried and tested design will stack vertically, 10 high. This chair is a stock item and is usually available on quick delivery, with a choice of blue, black and burgundy fabric finishes, as well as a black vinyl finish.
