Description

Our AUM **auditorium/balcony tip-up seating** is manufactured to order in Europe by an experienced factory. We feel it offers some of the best **value for money** available in **cinema-style seating** today. At the same time it holds to the core Alpha values of **quality**, choice with excellent service.

Arms feature as standard, with the further option of open or filled end panels, writing tablet and cupholders. The highly adaptable Maia system can be upholstered with various fabric types and colours, choice of frame finish, and can be adjusted for dimensions to best fit the space.

The floor fixing system is concealed by the frames for the neatest finish.

A cold moulded polyurethane foam ensures long term comfort even with regular use.

We can quote for supply only or full installation as required. Throughout the process from enquiry to finish, as ever, Alpha's high levels of service and care will ensure peace of mind and efficiency. Lead-times and prices are on application.
