TERRACE Outdoor Folding Chair

From: £127

Quantity	Price
1 - 9	£132
10 - 19	£129
20 -	£127

Description

The TERRACE Outdoor Folding Chair is an elegantly styled chair with oiled slatted wood finish, on a durable black steel frame. Providing the elegance of the French riviera alongside the practicality of a folding chair, the Terrace outdoor range is well suited for outdoor contract use. The wooden slats are FSC sourced for environmental standards. A folding armchair - often a paradox, is also available, alongside a range of matching tables.
